**Mission: Job's Three
Friends Job 2:11**

*Now when three of Job's friends
heard of all the misfortune that
had come upon him, they set out
each one from his own place:
Eliphaz from Teman, Bildad from
Shuh, and Zophar from
Naamath. They met and
journeyed together to give him
sympathy and comfort.*

*"All true friendliness begins with
fire and food and drink and the
recognition of rain or frost.
...Each human soul has in a sense
to enact for itself the gigantic
humility of the Incarnation.
Every man must descend into the
flesh to meet mankind."*

G.K. Chesterton
