**Month of the Rosary**

Prayer is the supernatural power we have against the evils of this world. Consider praying a rosary regularly this month and offering special prayer intentions for one another, the suffering, and for those in our world whose hearts are hardened, where greed, bitterness and hatred have taken root.

*"For he has looked upon his handmaid's lowliness; behold, from now on will all ages call me blessed. The Mighty One has done great things for me, and holy is his name."*

*Luke 1:48-49*

And he can do great things for us, too. He wants us to ask, so go to him in prayer.
