SCRIPTURE SAYS...

It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants and puts forth large branches, so that the birds of the sky can dwell in its shade.

Mark 4:32-33

Catholic school teachers show us the path to live a life filled with God's grace. We pray that they continue to have the strength to plant the seeds even if they do not see the tree bloom to its fullest, knowing that they are the sower of all that is good.
