They will discuss the apps and websites kids are using, how to identify warning signs of kids engaged in risky behaviors online and how to discuss appropriate online behavior with kids. All parents, grandparents, educators and any other professionals that work with children are invited to attend. The presentation is free of charge. Each person MUST register at www.eventbrite.com/e/internet-safety-for-parents-st-anthonys-catholic-school-tickets-54555738683. SCRIPTURE SAYS…
Blessed is he who perseveres in temptation, for when he has been proven he will receive the crown of life that he promised to those who love him. No one experiencing temptation should say, "I am being tempted by God;" for God is not subject to temptation to evil, and he himself tempts no one. James 1:12-13
