March 2022

Dear St. Michael Catholic School Families,

It's that time again! Time to prepare for the upcoming school year. Teacher and staff assignments must be evaluated and assigned, textbooks must be ordered, and technology needs must be determined. Now is the time to make decisions regarding next year. Many of these decisions are based on our enrollment numbers.

Registration and fees will remain the same as last year. However, due to rising costs of instructional materials and utilities, there is a need to increase tuition by \$20 per month. The new tuition rates are shown on the enclosed form.

Financial opportunities are available. Any family may apply for the Orline Maer Scholarship Fund. These funds are limited so please apply early. An application for this is enclosed, available on the school website, or may be picked up in the school office. An application must be complete with all required legal documentation to be considered. Applications are due by May 5, 2022 at 3:30 p.m. Recipients will be notified by the end of May.

We look forward to serving your child's educational needs in the 2022-2023 school year!

Sincerely,

Ms. Judy Roeder
Principal
