

St. Michael Catholic School  
Alumni Gathering  
April 23, 2022

All graduates and former students of St. Michael Catholic School are invited to participate in this year's "Alumni Gathering." We want to make this a recurring event, bigger and grander each year. We need your help to honor our alumni.

If you are available to help in any of these areas, please check the area you can help in.

- \_\_\_\_\_ Students are needed to greet those attending the 5:30 p.m. mass. Small ribbons will be given out to all former students. Please indicate your child's name who will be helping. \_\_\_\_\_
- \_\_\_\_\_ Adult greeters inside each of the school buildings. Your job would be to greet visitors after mass, make sure they register, and then enjoy the stories you will hear about their school days at SMCS. (6:20 – 7:00 p.m.)
- \_\_\_\_\_ Adults in the gym to supervise the registration table to make sure all alumni are registered (either at school or in the gym). We would like to have a count of alumni attending. (6:20 – 8:30: will be divided into shifts if we have multiple volunteers)
- \_\_\_\_\_ Adults and students to work the concession stand. Concessions will include frito pie and nachos so adults are needed. It would be great if we had a chairperson to take responsibility for this. (6:20 – 8:30: will be divided into shifts when we know how many volunteers we have) Please indicate our child's name if he or she will be helping. \_\_\_\_\_
