

Tracking Your Points

Your points are recorded in a Master Google Sheet. This sheet is linked to your Individual Google Sheet.

How to view your Individual Google Sheet:

1. Download *free* app-- Google Sheets
2. Open link sent to your email address from HSA Points
3. Once the link is activated, it is now available through the app from then on.
4. The current link for Fall 2022 is "LastNameFall 2022"
 - a. Any other link can be deleted.

About your Individual Google Sheet:

- The sheet is updated live. This means you see changes as soon as they are made.
- The events are in order based on the event ending date and not on when the event begins.

Point System Status:

Working Points → # =you still need points, (#)=you have a surplus of points

Selling Points → # =you still need points, (#)= you have a surplus of points

Please be sure to sign-in for your shift when working. This is how you get credit.*

Questions/Concerns:

Please email Jennifer Pesak at hsapoints@stmichaelswords.org. I will do my absolute best to update the sheet no later than 1 week after an event is over with all current working and selling points, given that I have the sheets in hand.

I hope this system allows you to have up-to-date information at your fingertips from any location at any time. Please don't hesitate to ask me any questions about the point system or your Individual Google Sheet!

Thank you,
