March 2023

Dear Parents of a Future St. Michael Catholic School Student,

St. Michael Catholic School (SMCS) Pre-Kindergarten and Kindergarten classes provide a child-centered educational experience in a Catholic Christian environment. Children investigate, experiment, and use critical thinking skills to solve problems and learn new skills. These skills are further developed in Grades 1-8 until the students graduate from SMCS with a well-rounded education in which they excel in science, technology, English language arts, and math. They also have developed a deeper relationship with God and a better understanding of His love for us and our call to minister to others.

Registration is now open for all new students entering SMCS in the 2023 – 2024 school year. Enclosed is more information concerning our admission guidelines and procedures. Also included are the registration documents for new students. Please complete the forms using the guidelines and checklist provided, and return them to the school office with all required documentation. There is an early registration deadline of March 31, 2023. Applicants are accepted in this order: sibling of current student, sibling of former student, Catholic, non-Catholic, then anyone registering after March 31, 2023. You will be sent a letter confirming your acceptance.

Our school handbook is available on our school website: www.stmichaelswords.org. You will be given a copy at our Family Orientation in August. If you have any questions or need assistance completing any forms, please call or come by the school office and we will be happy to assist you.

We look forward to you and your child becoming a member of the St. Michael Catholic School family!

Sincerely,

A handwritten signature in cursive script that reads "Judy Roeder".

Judy Roeder
