February 16, 2023

Dear St. Michael Catholic School Families,

It's that time again! Time to prepare for the upcoming school year. Yes, I feel like this one has just begun, but we must look ahead to the next school year. Teacher and staff assignments must be evaluated and assigned, textbooks must be ordered, and technology needs must be determined. Now is the time to make decisions regarding next year. Many of these decisions are based on our enrollment numbers.

With careful planning, and an astonishing amount of financial support in the way of donations this year, including that of the St. Michael H.S.A., the St. Michael Catholic School Advisory Council is pleased to announce that tuition rates will remain the same as last year. There is an addition of a technology fee for all students. As software licenses and fees increase and our computer hardware continues to age, this is an area that needs continual updating. Also, note the increase in the cost of lunches served in our cafeteria. With food prices rising, it is a necessary increase.

Any family needing financial assistance may apply for the Orline Maer Scholarship Fund. These funds are limited so please apply early. An application for this is available on the school website, or may be picked up in the school office. An application must be complete with all required legal documentation to be considered for tuition assistance. Applications are due by May 3, 2023 at 3:30 p.m. Scholarship recipients will be notified by the end of May.

We look forward to serving your child's educational needs in the 2023 – 2024 school year!

Sincerely,

A handwritten signature in blue ink that reads "Judy Roeder". The signature is written in a cursive, flowing style.

MS. Judy Roeder  
Principal
