TCCB ED Accreditation

The Texas Catholic Conference of Bishops Accreditation Commission met in plenary session on May 2-3, 2023 to review the documentation submitted by the school along with the Visiting Team Consensus Report. After careful deliberation, the Commission granted the following accreditation status to St. Michael Catholic School: ACCREDITED.

A few recommendations were made which the SMCS Advisory Council has already reviewed and will be addressing in the next few months and next school year. Thank you to everyone who helped in any way to prepare for the accreditation visit. Your help and cooperation are very much appreciated.

Congratulations to Kris Hubenak and Sam Muras for being appointed to the SMCS School Advisory Council. Their terms will begin June 1st.

Summer Repairs

This will be a busy summer here at SMCS. The bathrooms in the elementary building are being renovated with all new plumbing added. For the first time ever in our 103-year-old building, we will have hot water!

The Family Center will also undergo renovations. A new door will be installed in the gym to replace the one that is not operating properly and cannot be repaired. A new stage curtain and new stage flooring is being installed. There is also work being done in the locker rooms.

All of these repairs are being financed through the Annual Giving Funds from 2021 and 2022.

Payment Due

We are in the process of closing out our financial reports for the 2022 – 2023 school year so we can begin the 2023 – 2024 school year. If you owe money for lunches, tuition or fees, or the HSA points system, please pay this amount by June 10th. If you are experiencing financial difficulties and cannot pay by that date, please contact Ms. Roeder to make payment arrangements.

2023 – 2024 Registration

We still have several families who have not returned registration forms or fees for the upcoming school year. Textbooks and supplies are being ordered, personnel is being hired, and classroom assignments are being made at this time. If you have not already registered your child/children for the 2023 -2024 school year, please do so now.

Employment Opportunities

The following positions are still available for the 2023 – 2024 school year: PE teacher/coach/athletic director, junior high Science and Social Studies teacher, part-time cafeteria worker, part-time after-school care aide, and part-time office aide. We are also in need of someone who is willing to complete the diocesan requirements to occasionally drive the bus for field trips.

***The 2023 – 2024 classroom supply list and annual calendar were sent home last week.
They are being attached for your convenience.***

Have a fun, relaxing, and safe summer!

***Meet the Teachers and Parent Orientation is on
Thursday, August 3rd, beginning at 5:00 p.m.
School supplies may be brought at that time.***
